2026-2027 School Year

About the TECH CORPS & the Teacher Leader Network

TECH CORPS is a national nonprofit organization that expands access to the opportunities technology creates through hands-on, career-connected learning experiences. TECH CORPS imagines a world where every student has the skills, confidence, and opportunity to build their own path to a successful future.

Join the TECH CORPS Teacher Leader Network, a statewide community of educators learning how to bring innovative technology experiences into their classrooms and help colleagues do the same.

What Teacher Leaders Will Experience

Join us for a kickoff session and connect throughout the year to expand technology learning.

Summer Kickoff Session

- July 30, 2026 9:30a-3:30p (Columbus, Ohio)

During the School Year

- Try new ideas with students and share resources with colleagues.
- Participate in annual TECH CORPS events and expand technology learning opportunities in your school.
- Receive updates, classroom resources, and invitations to participate in additional opportunities.

Why Teachers Join the Network

✔ High-quality, ready-to-use technology lessons
✔ Connect classroom learning to technology careers through insights from industry experts
✔ Bring new technology experiences to your school
✔ Become a go-to technology leader for colleagues

What you Receive

✔ Ready-to-use technology lessons and activities
✔ A TECH CORPS shirt and swag
✔ A catered lunch provided
✔ Collaboration with innovative educators and industry experts across the state
✔ Resources to share with colleagues
✔ $150 stipend for completing the program
✔ Graduate Credit (additional cost) or CEUs

Who Should Apply?

The Teacher Leader Network is designed for Grades 3-8 educators and curriculum leaders who are curious about technology and want to explore new ideas with other educators.

<IF>

- you enjoy exploring technology, STEM, or computer science
- you want new ways to engage students with technology
- you like sharing ideas and supporting colleagues
